

WESTERN MICHIGAN CHAPTER of the TRAIN COLLECTORS ASSOCIATION

Our members are generally located in the Western and Central Michigan area. We collect and operate Toy Trains and all related things, such as paper, catalogs, accessories from all manufacturers and all gauges. At a typical meet, there is socializing and refreshments from 9-10 AM, and trading of trains thereafter.

We charge a \$5 fee to attend which covers our hall rent and you get a table to sell, trade, display, or just seek information. We conduct a short business meeting and then proceed with an enjoyable session.

All TCA members are invited. You may attend as a guest and enjoy all the activities Except the selling of trains until you become a member.

To inquire about TCA and membership, visit the TCA National Web Site.

For 2022 our meeting schedule is as follows:
