FOR OUR MEMBERS COMING TO SEE THE MEET

EVERYTHING IS NEW !!

PLEASE READ COMPLETELY

None of the buildings & parking lot we are using are being used by the NMRA show in October, So please follow these instructions:

Use **gate #2** on Eastland Road to enter the fairgrounds. Once you pass the fair office, turn left, the parking area (gravel surface) will be to the right. Some handicapped parking will be available in front of the arts & crafts building (north of the main lot). We will have signs on Bagley Road, Eastland Road, the parking area and the buildings to help guide you.

The Meet will occupy 2 buildings (Home & Hobby and Arts & Crafts). You will be able to enter either building first. The admission tables will be inside the front doors. Pricing is the same as it was in Parma. TCA members and their families will get name badges, which will allow you access to both buildings. The public will get wrist bands.

At the rear door of the Home & Hobby building a sidewalk leads to the west side door of the Arts & Crafts building. This will allow a short cut between buildings, but can only be used after you register at an admission desk.

Food & drink will be available in the dining area at the rear of the Home & Hobby Building. This is being provided by a licensed food vendor with a mobile kitchen, as there are no cooking facilities in the halls. There will also be a rest and eating area in the Arts & Crafts Building.

FOR OUR DEALERS EVERYTHING IS NEW AS WELL !!

PLEASE READ COMPLETELY

No one has a previous location. We will work with you to find a location to your liking.

We will split the dealers evenly between the 2 buildings, as well as the layouts & displays

None of the buildings we are using are being used by the NMRA show in October. So, if you set up at that show, you cannot be in the same building or location at our show.

Enter the fairgrounds as described in the section above.

All load in /out doors are at ground level. You may park at these doors **ONLY** to load in /out. You will be shown where you may park after you unload.

The tables will be arranged the same as in Parma. The perimeter tables will be against the walls, with dealers working in front of their table(s) and all other tables will be in double row columns, with the dealers behind their table(s). Please specify if you want to be in a row or along the wall & if you want to be next to someone.

To maintain current pricing, all dealer spaces will be in 6 foot lengths, regardless of the table length. Tables will be marked off as such, with your name on your spaces.

When you come to set up, report to an admission table. You will be given your table assignment and escorted to your location. We will show you your spaces and the nearest load in / out door.

We hope to be able to inform you of your building and table location, before you come to set up.
